

BOWHEAD
AN ALASKA NATIVE COMPANY

LOGISTICS AND MARINE

Maintenance, Logistics, Installation, and Marine Support

Bowhead's logistics and marine capabilities encompass most aspects involved with maintenance, logistics, installation, and marine support services.

The Bowhead Family of Companies Bowhead provides defense, government, and private sector clients with expertise in program management, systems engineering, acquisition, IT services, logistics, maintenance, training, procurement, and foreign military sales (FMS).

Our Logistics and Marine business line's primary goal is to help our government clients achieve their missions through quality and customer satisfaction. We employ and manage our teams of highly qualified personnel, who are experts in the following specialties:
