

FACT SHEET

BOWHEAD
AN ALASKA NATIVE COMPANY

MANUFACTURING & PRODUCTS

From Concept to Delivery

Delivering comprehensive engineering, management, analytical, and technical services to support federal, state, and local agencies and private industry partners.

Operating from a climate controlled manufacturing facility located in the high-tech hub of Plano, Texas, our Manufacturing & Products team is located in a geographic intermodal hub for manufacturing, warehouse storage and distribution. Bowhead's engineering team has over 80-years combined experience building complex electronics and equipment for the Department of Defense. From concept to delivery Bowhead provides our customers turnkey solutions on time and on budget:

- CMMC Level 2 C3PAO Certification
- DDTC/ITAR registered manufacturer and exporter
